ABSTRAK

Amerika Serikat telah meratifikasi *International Convention on Elimination of All Forms of Racial Discrimination* (ICERD) tentang penghapusan segala bentuk diskriminasi rasial sejak tahun 1994. Dari hal tersebut Amerika Serikat menunjukkan komitmennya dalam mematuhi segala bentuk penghapusan diskriminasi rasial yang ada di Amerika Serikat. Akan tetapi sayangnya, hingga saat ini di Amerika yang mana masih terdapat banyak masyarakat yang mengalami diskriminasi dan rasisme akibat kurangnya perhatian dari pemerintah. Penelitian ini dibuat untuk membahas terkait dengan implementasi ICERD khususnya di bawah kepemimpinan Presiden Joe Biden oleh Amerika Serikat dalam memranggi isu rasisme khususnya bagi ras Asia, dimana dalam pengimplementasiannya Amerika Serikat menggunakan banyak pihak yang terlibat serta memanfaatkan banyak bidang khususnya film, musik, serta industri hiburan yang dianggap cukup efektif sebagai cara sosialisasi yang mudah diterima oleh masyarakat. Metode yang digunakan dalam penelitian ini adalah menggunakan studi pustaka melalui dokumen resmi dari pemerintah Amerika Serikat serta Pernyataan Presiden, selain itu juga menggunakan wawancara dengan beberapa narasumber yang berada di Amerika Serikat sebagai perbandingan data penelitian dengan kondisi di lapangan.

ABSTRACT

The United States has ratified the International Convention on the Elimination of All Forms of Racial Discrimination (ICERD) regarding the elimination of all forms of racial discrimination since 1994. From this, the United States shows its commitment to complying with all forms of eliminating racial discrimination in the United States. But unfortunately, until now in America where there are still many people who experience discrimination and racism due to a lack of attention from the government. This study was made to discuss the implementation of ICERD, especially under the leadership of President Joe Biden by the United States in combating the issue of racism, especially for the Asian race, where in its implementation the United States uses many parties involved and utilizes many fields, especially film, music, and the entertainment industry. Which is considered quite effective as a way of socialization that is easily accepted by the community. The method used in this research is to use literature studies through official documents from the United States government and the President's Statement, while also using interviews with several sources in the United States as a comparison of research data with conditions in the field.
