

PERAN CYBERACTIVISM OLEH ANONYMOUS GROUP MELALUI ME TOO MOVEMENT DI AMERIKA SERIKAT PERIODE 2017-2020

Maudi Azzahra Nursyafitri

ABSTRAK

Studi ini mengeksplorasi aktivisme siber dalam gerakan Me Too di AS antara 2017-2020. Kelompok anonim berperan penting namun menghadapi tantangan, termasuk masalah kredibilitas, persatuan, dan platform media sosial. Implikasi hukum dan etika peretasan juga jadi perhatian. Penelitian ini bertujuan meningkatkan kredibilitas aktivisme siber, memastikan keamanan anonim, optimalisasi media sosial, serta pertimbangan hukum dan etika.

Kata kunci: Anonymous Group, Me Too Movement, Kerahasiaan, cyberactivism,

PERAN CYBERACTIVISM OLEH ANONYMOUS GROUP MELALUI ME TOO MOVEMENT DI AMERIKA SERIKAT PERIODE 2017-2020

ABSTRACT

The study explores cyber activism in the Me Too movement in the U.S. between 2017-2020. Anonymous groups play an important role but face challenges, including issues of credibility, unity, and social media platforms. The legal implications and ethics of hacking are also a concern. This research aims to increase the credibility of cyber activism, ensure anonymous security, social media optimization, and legal and ethical considerations.

Keywords: Anonymous Group, Me Too Movement, Secrecy, Cyberactivism
