

The Influence of Brand Image and Service Quality on Customer Loyalty through Customer Satisfaction (Case Study: Pelindo Residence & Convention)

By Nabilah Farhana Gani

Abstract

This study aims to analyze the influence of Brand Image and Service Quality on Customer Loyalty with Customer Satisfaction as a mediating variable at Pelindo Residence & Convention. A quantitative approach was used, with data collected through surveys of hotel guests. The data analysis method employed was Structural Equation Modeling (SEM) to test the proposed hypotheses. The results reveal that Brand Image and Service Quality significantly affect Customer Satisfaction and Customer Loyalty. Customer Satisfaction is proven to mediate the relationship between Brand Image, Service Quality, and Customer Loyalty, highlighting the crucial role of Customer Satisfaction in strengthening Customer Loyalty. This study offers practical implications for Pelindo Residence & Convention management in designing strategies to enhance Customer Loyalty by improving Brand Image and Service Quality. By focusing on these factors, the company can create a more positive customer experience, ultimately leading to stronger Customer Loyalty and supporting long-term business growth.
