

***Impact of Discount Framing, Brand Image, and Lifestyle on Generation Z's Purchase Intention for Spotify Premium***

**By Bintang Agastiya Putra**

**Abstract**

*This study aims to analyze the influence of discount framing, brand image, and lifestyle on purchase intention toward Spotify Premium among Generation Z. The research employed descriptive analysis and Structural Equation Modeling (SEM) using the Partial Least Squares (PLS) method via SmartPLS 4.0. The results indicate that discount framing, brand image, and lifestyle have a significant effect on purchase intention. These findings confirm that all three independent variables play a crucial role in shaping consumers' intention to purchase Spotify Premium. Therefore, it is recommended that companies optimize discount strategies, strengthen brand image, and align service features with the lifestyle preferences of Generation Z to sustainably increase purchase intention.*
