

**KERJASAMA KOREA SELATAN – INDONESIA MELALUI PROGRAM
KOREA INTERNATIONAL COOPERATION AGENCY (KOICA) DI BIDANG
PENDIDIKAN TAHUN 2019-2021**

Oleh : Herdesya Suryadewi

ABSTRAK

Penelitian ini membahas kerja sama antara Korea Selatan dan Indonesia melalui program *Korea International Cooperation Agency* (KOICA) di bidang pendidikan pada tahun 2019 – 2021. Penelitian ini bertujuan untuk mendeskripsikan serta menganalisis bagaimana bentuk kerja sama yang terjalin dalam meningkatkan kualitas Pendidikan di Indonesia serta dampaknya terhadap hubungan bilateral kedua negara. Dalam pelaksanaan program KOICA (Korea International Cooperation Agency) penulis menggunakan teori kerja sama bilateral dan bantuan luar negeri. Melalui bantuan beasiswa, pelatihan guru, KOICA berkontribusi pada peningkatan sumber daya manusia Indonesia. Penelitian ini menggunakan metode kualitatif deskriptif dengan teknik studi Pustaka dan pengumpulan data sekunder dari dokumen resmi, jurnal dan berita daring. Hasil penelitian menunjukkan bahwa kerja sama ini efektif dalam memberikan peluang Pendidikan , memperkuat kapasitas sumber daya manusia dan mempererat hubungan diplomatic antara Korea Selatan dan Indonesia, meskipun masih terdapat tantangan dalam keberlanjutan program.

ABSTRACT

This study discusses the cooperation between South Korea and Indonesia through the Korea International Cooperation Agency (KOICA) program in the field of Education in 2019 - 2021. This study aims to describe and analyze how the form of cooperation is established in improving the quality of Education in Indonesia and its impact on bilateral relations between the two countries. In implementing the KOICA (Korea International Cooperation Agency) program, the author uses the theory of bilateral cooperation and foreign aid. Through scholarship assistance, teacher training, KOICA contributes to improving Indonesia's human resources. This study uses a descriptive qualitative method with library study techniques and secondary data collection from official documents, journals and online news. The results of the study show that this cooperation is effective in providing educational opportunities, strengthening human resource capacity and strengthening diplomatic relations between South Korea and Indonesia, although there are still challenges in the sustainability of the program.
