**ABSTRAK**

Penelitian ini dilakukan untuk menyajikan penelitian dengan judul “Strategi Iran menghadapi Islamic State of Iraq and Syria periode 2012-2015”. Terbentuknya ISIS di Irak hingga masuk ke Suriah telah memberikan dampak pada kepentingan negara Iran di Suriah, sehingga perlu bagi Iran mengatur strategi. Rumusan masalah dalam penelitian mempertanyakan “Bagaimana strategi Iran menghadapi ISIS di Suriah periode 2012-2015?”. Untuk menjawab penelitian tersebut, penulis menggunakan konsep terorisme untuk menjelaskan fenomena ISIS, teori aliansi untuk menjelaskan hubungan Iran dan Suriah, dan teori strategi untuk menjawab penelitian. Penulis menggunakan metode kualitatif dengan mendeskripsikan strategi Iran di Suriah, serta menggunakan data melalui studi kepustakaan. Hasil dari penelitian ini menunjukkan bagaimana hubungan Iran dan Suriah hingga mampu menjelaskan tentang strategi Iran menghadapi ISIS di Suriah.

**ABSTRACT**

This study was conducted to present a study entitled "Iran's strategy against Islamic State of Iraq and Syria (ISIS) in Syria for the period 2012-2015". The formation of ISIS in Iraq until the entry into Syria has an impact on the interests of the Iranian state in Syria, making it necessary for Iran set strategy. The research question is "How is Iran's strategy against ISIS in Syria for the period 2012-2015?". To answer these studies, the authors use the theory of strategy to answer the research, theory of alliance to explain the relations between Iran and Syria, and the concept of terrorism to explain the phenomenon of ISIS. The author uses qualitative methods to describe the strategy of Iran in Syria, as well as using data through the library research. The results of this study showed how relations between Iran and Syria to be able to explain the strategy of Iran confronting ISIS in Syria.
